Service Available

The Virtual School provides :-

- Support and organise individual, group and online learning to pupils in their school.
- Early identification of educational difficulties of CLA, early intervention and preventative work in schools. This includes identifying children who would benefit from an Education, Health and Care Plan (EHCP) and making sure Special Education and Disability needs are met.
- Additional study support to CLA taking SATs and GCSEs.
- Support to CLA and their carers in accessing school places.
- Tracking attendance and follow up support to social workers and schools.
- Initially set up and review Personal Education Plans (PEPs) for all CLA. The review will also incorporate the Education, Health and Care Plan, the annual review for the Virtual School and Post-16 pathway planning.
- Help and support with the ePEP system, our electronic system for recording PEPs.
- Awareness training for all schools and other stakeholders on issues which affect the education and achievement of CLA.

- Training and support to Designated Teachers for CLA, foster carers and residential key workers in carrying out their role effectively.
- Monitoring and evaluation of the educational performance of all CLA in Slough to assess need and inform development of policy and future provision.
- Policies, procedures and protocols between education and social services on the education of children and young people in care.
- Reports on the educational progress of CLA to schools, social workers, residential key workers, parents and carers generated via ePEP
- Visits to universities and organised activity days for groups of CLA.

Referral to the Virtual School

When a child or young person becomes looked after the manager of the process is required to send the Start CLA Notification email which alerts the Virtual School .The case will be allocated to a Learning Advocate who will co-ordinate the first PEP meeting. For more information on the PEP process please see the 'Personal Education Plan' policy or the 'PEP' Process document.

Service Standards

All service users can expect the Virtual School staff to :-

- Respond to telephone and email enquiries within 3 working days and acknowledge and respond to mail within 5 working days (excluding periods when staff are on annual or emergency leave)
- Acknowledge individual referrals and request for support/advice within 5 working days.
- Give priority to pupils at risk of exclusion when responding to referrals.
- Ensure that permission has been obtained from parents/carers or social workers prior to any direct contact with an individual child or young person.
- Consult with social workers, school staff and carers as to how the referral should be addressed and agree on form of intervention.
- Consult with other colleagues within Education and Children's Services and professionals from other agencies where necessary.
- Arrive punctually for planned visits, support work and meetings, informing the school, carers or Social Services staff as soon as possible of any unavoidable delay.
- Ensure confidentiality is maintained at all times.
- Agree to share information only on a need to know basis from any meeting, discussion or intervention with teachers, parents/carers, social workers, other professionals and the child/young person.
- Provide oral and written feedback to schools, social workers and parents/carers following intervention.
- Attend education liaison and planning meetings/reviews of CLA

MONITORING AND EVALUATION

The quality and effectiveness of the service is evaluated by the following targets :-

- Closing the attainment and progress gap between CLA and their peers by creating a culture of high aspirations
- Ensure all CLA have an up to date PEP; reviews should take at least 3 times an academic year, once per term. When a child first comes into care the first PEP should take place within 20 working days. The Virtual School aims to lead on at least 2 PEP meetings per academic year.
- Prioritising 'good' or 'outstanding' schools for CLA. Unless there are evidence based reasons CLA should not be placed in a school judged by Ofsted to be 'inadequate'.
- Regular monitoring of fixed and permanent exclusions of CLA. Our target is to have no permanent exclusions
- Annual collation of SATs, GCSE results, and exclusion figures of CLA. Attendance will be monitored on a termly basis with appropriate targets in place if attendance is below 95%.
- Review of methods, materials and resources following feedback.
- Minutes of multi-agency professional meetings, education planning and care plan meetings/reviews.
- Production of the Annual Report

SCHOOLS' RESPONSIBILITIES

The school will be responsible for :-

- Ensuring that there is a Designated Teacher for CLA within the school.
- Liaising with the Virtual School to share relevant information whilst at the same time having respect for confidentiality.
- Leading PEP meetings; ensuring information from the meeting is input into ePEP within 2 weeks of the meeting taking place.
- Using Pupil Premium Plus funding when necessary to support CLA to reach their full potential. Full details of the use of Pupil Premium Plus funding can be found within the 'Slough Children's Services Trust Pupil Premium Plus Policy (September 2016)'

SOCIAL WORKERS RESPONSIBILITIES

The Social Worker will be responsible for:-

- Ensuring the CLA they are responsible for have a minimum of 3 PEP meetings a year; once a term. The Virtual School will lead on the initial PEP meeting. The social worker should liaise with the school to set all other dates.
- Keeping ePEP up to date in respects of personal, care and education information.

- Supporting the school to update the ePEP document, liaising with the Virtual School when necessary
- Upload completed PEPs onto ICS or support the Business Support Officer to complete this task.
- Ensure that they actively encourage their CLA to attend school regularly
- Ensure school applications for their CLA are made in good time, with support from the Virtual School and/or Special Educational Needs and Disabilities team if necessary
- Work with schools, the Virtual School and parents/carers if any significant changes happen with their CLA. Working with all parties to resolve any matters as quickly as possible, putting provisions in place to support the child and the school.
- Informing the Virtual School of any planned change of placement to allow the planning of a suitable school place if there needs to be a school change.

FOSTER CARERS/ RESIDENTIAL KEY WORKER RESPONSIBILITIES

The foster carer/ residential key worker play a lead role in supporting educational attainment of Children Looked After (CLA) outside of school. Maintaining placement stability, understanding the education system and processes used are crucial to support CLA improve their educational outcomes and ultimately their life chances.

The foster carers/residential key workers will:

- Ensure that they actively encourage their CLA to attend school regularly.
- Share responsibility for ensuring that all school aged CLA has access to suitable educational provision or an adequate alternative.
- Transport CLA to and from school (unless transport arrangements are part of the social care plan)
- Ensure that CLA have a quiet space to do their homework and support them to complete it to a good standard.
- Develop a close working relationship with schools Designated Teacher for CLA, social worker, and other key professionals.
- Have an input in the PEP process. In particular carers must attend the PEP meeting/reviews, have a clear understanding of the targets that are set and the role they perform in helping the pupil achieve them.
- Ensure they receive a log in and instructions for the ePEP system so the PEP can be reviewed.
- Attend school meetings (e.g. parents evenings) and act as an advocate on behalf of the young person where appropriate.
- Be aware of CLA achievements in school so that they can share and celebrate these with them.
- Attend school performances, sports days etc.
- Encourage CLA to participate in extra curricular activities and out of hours learning by identifying and supporting their access to opportunities available to them.

- Participate in training relating to the education of CLA.
- Support children to attend Virtual School events relevant to the child in their care, e.g. employment days, visits to universities, revision and activity days. These should be viewed as opportunities not to be missed.
